

Recipients of the 2023 Carole Noon and Outstanding Sanctuary Awards Announced

Global Federation of Animal Sanctuaries honors sanctuaries, rescue, rehabilitation, and transition centers for exceptional animal care, professionalism and ethics. Learn more about these organizations [here](#).

October 27, 2023 - (Washington, DC) The Board of Directors of the Global Federation of Animal Sanctuaries (GFAS) today announced the recipient of the 2023 Carole Noon Award, Tammy Thies of [The Wildcat Sanctuary](#), Minnesota. The Carole Noon Award is named after the late Dr. Carole Noon, a courageous and innovative sanctuary pioneer and champion of chimpanzees.

The GFAS Board of Directors also presented the annual Outstanding Sanctuary Awards to recognize excellence in humane and responsible animal care; professionalism and ethics; organizational sustainability; public engagement; and contributions to, and leadership within, the sanctuary field. Recipients included [The Donkey Sanctuary of Canada](#), Canada; [Piedmont Farm Animal Refuge](#), North Carolina; [Vervet Monkey Foundation](#), South Africa; and [Lilongwe Wildlife Trust](#), Malawi.

“This year’s award recipients truly embody and put into practice the GFAS philosophy of vision, dedication, and excellence in animal care,” noted Valerie Taylor, Executive Director of GFAS. “Part of the GFAS mission is to recognize sanctuaries and rescue centers and raise awareness of their work, and the 2023 Award recipients serve as exemplary models of many important characteristics attributed to true sanctuaries, demonstrating professionalism, collaborative spirit, and leadership, all for the animals – qualities highly regarded by GFAS and the late Dr. Noon.”
